

## Emory Policy Manager Quick Reference Guide: Enterprise

### Logging in to the Policy Manager Website

 <p>Network ID</p> <input type="text" value="NetID"/> <p>Password</p> <input type="password" value="....."/> <p>Login</p> <p><a href="#">Forgot Password?</a></p> <p><small>Login is applicable to contact the Center at <a href="http://he">http://he</a></small></p>	<ol style="list-style-type: none"><li>1. Go to <a href="https://emory.ellucid.com/">https://emory.ellucid.com/</a> by entering the address in your web browser.</li><li>2. You will be re-directed to Emory single sign-on.</li><li>3. Enter your netID and password.</li><li>4. Click Login.</li></ol>
 <p>EMORY HEALTHCARE</p> <p>EMORY UNIVERSITY</p> <p><a href="#">EHC Policy Management Intranet Webpage</a> <a href="mailto:Policy.Management@emoryhealthcare.org">Policy.Management@emoryhealthcare.org</a></p>	<p>You will arrive at the main Policy Manager home page.</p> <p>From here, policies are organized by Facility, including Emory Healthcare, University, and Enterprise. Enterprise contains policies shared across University and Healthcare.</p> <p>Within Facility, policies are organized into Manuals, which represent topics, like administration, communications, etc.</p>

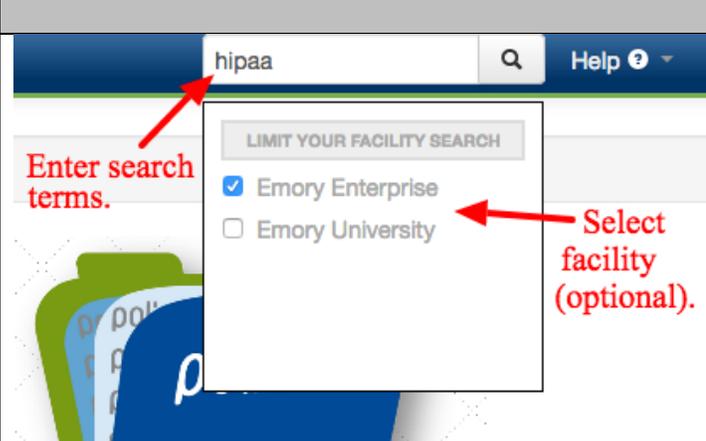

## Searching for Policy Manuals and Documents

The screenshot shows the EMORY dashboard with a search bar at the top right and a sidebar menu on the left. The sidebar menu includes options like Home, Advanced Search, Browse Manuals, Competencies, Favorites, Recent Documents, and Reports. A red arrow points to the search bar with the text "General search from main navigation bar." Another red arrow points to the "Advanced Search" option in the sidebar menu with the text "Advanced search from sidebar menu." A graphic of a folder labeled "policies" is overlaid on the dashboard.

You can do a basic search from the main navigation bar or choose Advanced Search from the sidebar menu.

## Basic Search

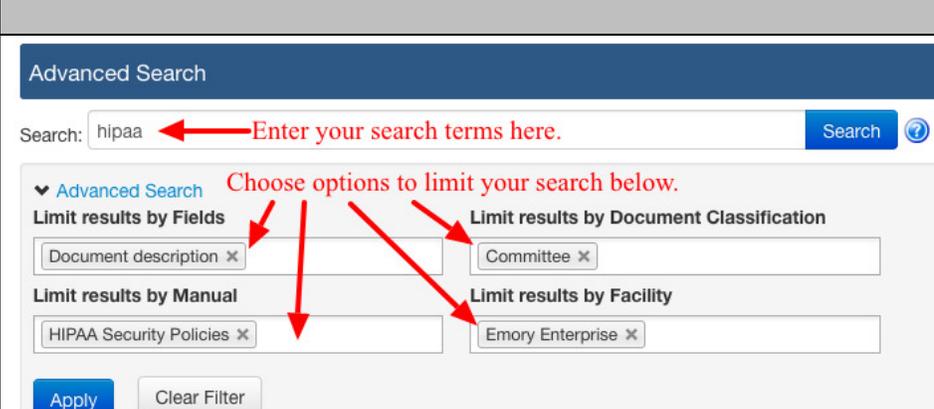

The screenshot shows the basic search interface with the search term "hipaa" entered in the search bar. A dropdown menu titled "LIMIT YOUR FACILITY SEARCH" is open, showing two options: "Emory Enterprise" (checked) and "Emory University" (unchecked). A red arrow points to the search bar with the text "Enter search terms." Another red arrow points to the "Emory University" option with the text "Select facility (optional)." A graphic of a folder labeled "policies" is overlaid on the interface.

From the main navigation bar, enter your search term and limit the search by facility if you would like, including Emory Enterprise\*, University or Healthcare.

\***Reminder:** Enterprise contains policies that are shared by Healthcare and University.

## Advanced Search

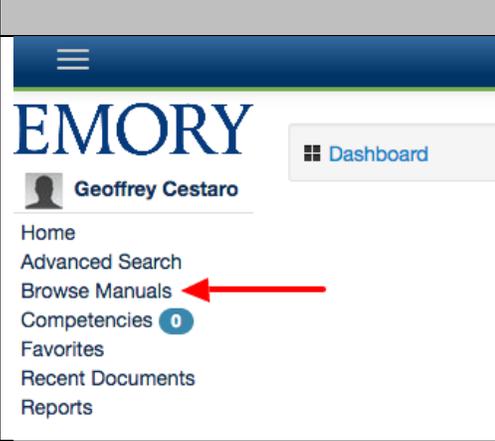

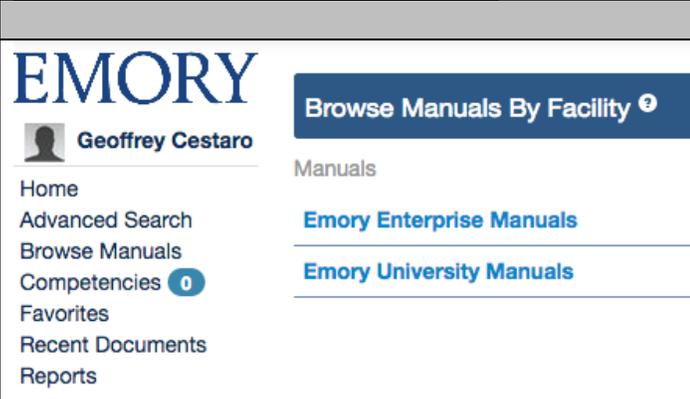

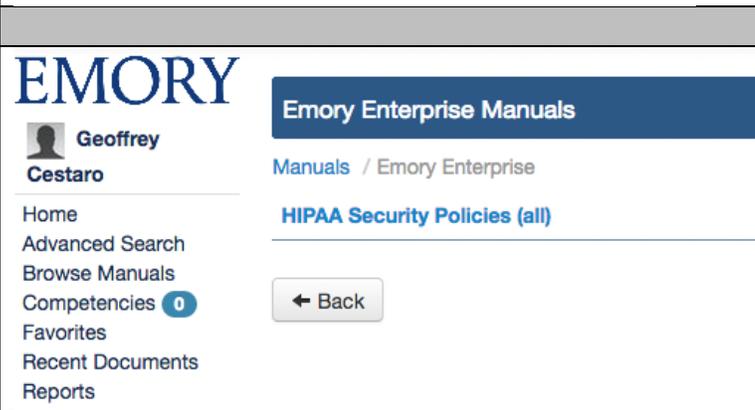

The screenshot shows the advanced search interface. The search bar contains "hipaa" and a "Search" button. Below the search bar, there are four filter sections: "Limit results by Fields" (Document description), "Limit results by Document Classification" (Committee), "Limit results by Manual" (HIPAA Security Policies), and "Limit results by Facility" (Emory Enterprise). Red arrows point to each of these filter sections with the text "Choose options to limit your search below." There are "Apply" and "Clear Filter" buttons at the bottom of the filter section.

If you choose Advanced Search from the sidebar menu, enter your search terms and click Advanced Search to view the options for restricting your search further.

The drop-down options for advanced search include the following:

- 1) **Fields:** limits the search to a specific field, like document title or description.
- 2) **Manual:** lets you select a specific manual, like HIPAA Security Policies, and limits your search to policy documents within that manual.
- 3) **Document Classification:** limits your search to specific document types, such as committee policies.
- 4) **Facility:** limits your search to Emory Enterprise, University or Healthcare.

## Browsing Manuals

	<p>To locate a manual or policy document by browsing, select Browse Manuals from the sidebar menu.</p>
	<p>Choose the facility you would like to browse. Emory Enterprise contains policies that are shared between University and Healthcare, like HIPAA.</p> <p><b>Note:</b> Healthcare is not shown here but is the third option that will show only for Healthcare affiliates.</p>
	<p>All manuals within that facility will be displayed. Select a specific policy manual.</p>
	<p>If there are sub-manuals, you'll see them here as folders. Policies appear as pdf icons.</p>
