Applicability

This policy applies to all employees enrolled in the uniformed services. The uniformed services include the Armed Forces, the Army National Guard, the Air National Guard (when engaged in active duty for training, inactive duty training, or full-time National Guard duty), the commissioned corps of the Public Health Service, and any other category of persons designated by the President in time of war or emergency.

Policy Details

2.51.1 Military Leave

Employees who enter the uniformed services are entitled to military leave of absence (LOA) without pay for a period not to exceed five years.

The employee is required to provide notification to their Human Resource Representative as soon as reasonably possible of the need for military leave. In addition, the employee should complete a Leave of Absence Request Form and provide copies of appropriate military orders or other supporting documentation for situations that do not warrant military orders.

employees may elect to use their vacation leave. Employees must request in writing through Human Resources to use unused vacation leave balances or take leave without pay for the entire leave period.

Review Human Resources Policies and Procedures on the web for additional information.
