Overview

The purpose of this document is to describe the approved payment options for individuals traveling on behalf of the University.

Applicability

The Travel Policies apply to faculty, staff, students, and non-employees traveling on behalf of the University and seeking reimbursement or payment for travel-related expenses from Emory University funds, regardless of the funding source.

Policy Details

Traveler Responsibility

Travelers are required to use the payment methods outlined below that are designed to ensure accurate, effective and timely reimbursement or payment. Exceptions will be considered on a case-by-case basis and are subject to documented approval accompanying the Travel Expense Report.

Responsibility of Higher Level Approvers

Higher Level Approver must ensure that:

- the traveler is aware of the Emory Travel Policy in advance of the travel;
- travel expenses were incurred while conducting authorized University business;
- travel expenses were necessary, reasonable and consistent with University policies and the stated business purpose;
- an expense report includes the required documentation; and
- travel expenses meet any and all Sponsored Program guidelines, if applicable.

Several payment options are available to individuals traveling on behalf of the University.

Air Travel Providers
It is required, unless an exception is approved in advance of travel, that a traveler will use Emory’s Air Travel Providers to purchase plane tickets. Tickets purchased through the Emory travel agencies can be billed directly to the department budget, charged to a Corporate Card, or charged to a personal credit card.

**Corporate Cards**

Please refer to Policy 2.119 - Use of the Visa Corporate Card for the full Corporate Card policy.

**Personal Funds**

When not using the Corporate Card, personal funds may be used, and reimbursement requested for legitimate business expenses. However, reimbursement for the use of personal funds cannot occur until after the travel takes place. It is the sole responsibility of the traveler to complete an Expense Report to request reimbursement in a timely manner.

**Other**

In situations when the Corporate Card and personal funds cannot be used, travelers may request Payment Services to issue a check or a foreign draft (payment in foreign currency).
