Overview

Emory offers eligible employees the ability to continue certain benefit programs into retirement.

Applicability

Those eligible include regular employees, principals and faculty who work at least 20 hours or more per workweek, and:

• Are at least age 55.
• Have at least 10 years of service of at least half time with breaks not to exceed a 12-month period or 24 month period if due to a reduction in force.
• Are retiring from a paid status or a disability Leave of Absence.
• Total years of age and service equal at least 75.

Policy Details

SICK LEAVE CREDIT

Employees who accrue sick leave can apply up to one year of accrued leave towards the service requirement. The leave will be applied on an hour-for-hour basis, i.e., eight hours of accrued sick leave equates to one day of service. For example, an employee age 56 with 18 years of service could add one year of accrued sick leave (2,080) to the service requirement to equal 75. (As faculty do not accrue sick leave, this credit does not apply.)

BENEFIT PROGRAMS

Benefit programs available to eligible retirees include:

• Health care coverage with the cost shared by Emory and the retiree for employees hired prior to January 1, 2003. For employees hired after December 31, 2002, health care coverage will be at full cost (no Emory subsidy).
• Basic Term Life Insurance coverage at $10,000 for retirees retiring from a regular full-time position; $5,000 for retirees retiring form a regular part-time position of at least 20 hours a week.
• Courtesy scholarship for retiree for undergraduate and graduate courses; spouse/same-sex domestic partner and eligible children for undergraduate courses only.
