Overview

Service Awards are provided to staff and principal employees upon completion of service in 5-year increments. The award consists of a certificate and a gift. Employees with 25, 30, 35, 40, 45 and 50 years of service are recognized at the Annual Service Award Luncheon.

Departments are encouraged to provide special recognition to employees. Human Resources is available to discuss departmental recognition plans.

Applicability

Service is determined based on employment at Emory University and Emory HealthCare. Temporary and regular employment of at least half time, except for student employment, are aggregated to determine eligibility.

Eligibility is aggregated for breaks in service.
