Overview

Service Awards are provided to staff employees upon completion of service in 5-year increments during the current calendar year only. The award consists of a certificate and a gift.

Employees with 25, 30, 35, 40, 45 and 50 years of service are recognized annually.

Departments are encouraged to provide special recognition to employees. The Human Resources staff is available to discuss departmental recognition plans

Applicability

Service is determined based on employment at Emory University and Emory HealthCare. Temporary and regular employment of at least half time, except for student employment, are aggregated to determine eligibility. Eligibility is aggregated for breaks in service.
