Overview  

The purpose of this policy is to outline the authority of various entities at Emory University to recognize Student Organizations. Further, the policy outlines the list of benefits that Emory University grants official Student Organizations. Finally, the policy provides for the registration of all Student Organizations on campus so that a comprehensive list of all groups can be maintained.

Policy Details  

8.12.1 Rights  

Emory University students may organize Student Organizations. In accordance with the Emory University Non-Discrimination Policy, no student shall be denied membership in any Student Organization.

Notwithstanding the foregoing, certain limitations for participation based on major, degree, grade point average, or school of enrollment may be imposed if approved in advance by the Recognizing Body. Student Organizations that wish to make exceptions to enrollment based on religious or other purposes must petition the appropriate Recognizing Body.

8.12.2 Official Registration List  

The Division of Campus Life is responsible for maintaining a comprehensive and up to date list of all registered Student Organizations through the Office of Student Leadership & Service staff. All Student Organizations at Emory University who wish to have access to any of the rights, privileges, and benefits outlined in this policy must follow the official registration procedures as outlined by the Division of Campus Life. Such registration list shall be deemed the official list of Student Organizations recognized at Emory University at any time.

8.12.3 Authorization  

In order for an organization to be recognized as an official Student Organization, the Student Organization must be registered with the Division of Campus Life and have the approval of a Recognizing Body, using the specified procedures of the Division of Campus Life. Final decision making authority regarding the recognition of a Student Organization resides with the Senior Vice-President and Dean for Campus Life, or his/her designee.
In addition, all Student Organizations must have an official University advisor. For groups recognized by University departments, their advisor is the director/chair of that department or his/her designee. For all groups chartered by the Student Government Association, advisors are required to be a full-time faculty or staff member. The Division of Campus Life grants authority to the Office of Student Leadership and Service to set additional requirements for SGA Advisors.
