Overview

The purpose of this policy is to outline the authority of various entities at Emory University to recognize Student Organizations. Further, the policy outlines the list of benefits that Emory University grants official Student Organizations. Finally, the policy provides for the registration of all Student Organizations on campus so that a comprehensive list of all groups can be maintained.

Policy Details

8.12.1 Rights

Emory University students may organize Student Organizations. In accordance with the Emory University Non-Discrimination Policy, no student shall be denied membership in any Student Organization.

Notwithstanding the foregoing, certain limitations for participation based on major, degree, grade point average, or school of enrollment may be imposed if approved in advance by the Recognizing Body. Student Organizations that wish to make exceptions to enrollment based on religious or other purposes must petition the appropriate Recognizing Body.

8.12.2 Official Registration List

The Division of Campus Life is responsible for maintaining a comprehensive and up to date list of all registered Student Organizations through the Office of Student Leadership & Service staff. All Student Organizations at Emory University who wish to have access to any of the rights, privileges, and benefits outlined in this policy must follow the official registration procedures as outlined by the Division of Campus Life. Such registration list shall be deemed the official list of Student Organizations recognized at Emory University at any time.

8.12.3 Authorization

In order for an organization to be recognized as an official Student Organization, the Student Organization must have the approval of a Recognizing Body and be listed on the official list of Student Organizations maintained by the Division of Campus Life. Each Recognizing Body is responsible for managing their own processes to recognize Student Organizations. The Senior Vice-President and Dean for Campus Life, or his/her designee, are responsible for holding
Student Organizations and Recognizing Bodies accountable to all relevant University policies.

In addition, all Student Organizations must have an official University advisor. For groups recognized by University departments, their advisor is the director/chair of that department or his/her designee. For all groups chartered by the Student Government Association, advisors are required to be a full-time faculty or staff member. The Division of Campus Life grants authority to the Office of Student Leadership and Service to set additional requirements for SGA Advisors.

The Student Government Association is also responsible for collecting and distributing the Student Activity Fee. Final decision-making authority regarding the Student Activity Fee resides with the Student Government Association, in consultation with the Senior Vice-President and Dean for Campus Life or his/her designee, who will ensure accountability with relevant University policies and procedures.

8.12.4 Responsibilities of Student Organizations
