

## SACSCOC

### The Content of the Substantive Change Prospectus

[Not for use with the "Mergers, Acquisitions ..." Policy]

One copy of a prospectus should be submitted to the SACSCOC President on paper, flash drive, CD or DVD and include all applicable information below regarding the change. **Documents will not be accepted via e-mail.** The document should include a concisely worded narrative with the information specified in this Appendix. A prospectus normally does not exceed **25 pages** plus appendices. Please note that SACSCOC reserves the right to make amendments to the requirements outlined below for certain types of changes.

In lieu of a prospectus, SACSCOC will accept documentation submitted for approval to a system office or to a state coordinating or governing board, provided such documentation includes all the information required in a prospectus and includes an index correlating the submitted materials with the corresponding information required in a prospectus. Faculty qualifications, however, must be documented using the [Faculty Roster form](#). *Curriculum vitae* in lieu of a faculty roster will not be accepted.

Reminder: An institution initiating a level change must complete an [Application for Member Institutions Seeking Accreditation at a Higher or Lower Degree Level](#) and submit it in quadruplicate in lieu of completing a prospectus.

The following guidelines are generic; **each prospectus should be tailored to focus on the specific change being proposed.**

#### Cover Pages for a Substantive Change Prospectus

- List degrees that the institution is authorized to grant. As a subset of each degree, list majors available. (*Photocopy from catalog is acceptable*)
- List certificate, diploma and degree programs which are related to the proposed program(s)
- List institutional strengths that facilitate the offering of the proposed program(s)
- List of existing approved off-campus sites and their addresses

#### 1. ABSTRACT (limit to one page or less)

#### 2. BACKGROUND INFORMATION

Provide a clear statement of the nature and purpose of the change in the context of the institution's mission and goals; evidence of the legal authority for the change (if authorization is required by the governing board or the state); and whether the proposed degree program or similar program is offered on the main campus or at other **approved** off-campus sites.

#### 3. ASSESSMENT OF NEED AND PROGRAM PLANNING/APPROVAL

**Briefly** discuss the rationale for the change, including an assessment of need; evidence of inclusion of the change in the institution's ongoing planning and evaluation processes; and documentation that faculty and other groups were involved in the review and approval of the new site or program.

#### 4. DESCRIPTION OF THE CHANGE

Provide a description of the proposed change, including the specific outcomes and learning objectives of the program and a schedule of proposed course offerings. In the case of a change involving the initiation of a branch campus or an off-campus site, indicate the educational program(s) to be offered.

Describe any differences in admission, curriculum, or graduation requirements for students enrolled at new site(s), or any special arrangements for grading, transcripts, or transfer policies. Demonstrate compliance with FR 4.9 (Definition of Credit Hours) of the *Principles*. Describe administrative oversight to ensure the quality of the program or services to be offered. .A prospectus for approval of distance learning should describe the infrastructure supporting the delivery method (training of faculty, development of courses for distance delivery, technical support for student and faculty).

#### 5. FACULTY

Provide a complete roster (using the [Faculty Roster form](#)) of those faculty employed to teach in the program(s) referred to in the prospectus, including a description of those faculty members' academic qualifications and other experiences relevant to the courses to be taught in the program in question, course load in the new program, and course work taught in other programs currently offered. Please consult the "[Faculty Roster Instructions](#)" for guidance in completing the Roster for current faculty who will be supporting the change. Provide a narrative with supporting evidence that the number of full-time faculty members is adequate to support the program; and describe the impact of the new initiative on faculty workload.

For distance learning programs, describe processes in place to ensure that students have structured access to faculty. For graduate programs, document scholarship and research capability of faculty; for doctoral programs, document faculty experience in directing student research.

Describe library and information resources—general as well as specific to the program—and staffing and services that are in place to support the initiative. If reliant upon other libraries, describe those collections and their relevance to the proposed program(s) and include a copy of formal agreements in the appendix. Relative to electronic resources, describe how students and faculty will access information, training for faculty and students in the use of online resources, and staffing and services available to students and faculty. If you are citing electronic databases accessed through consortial or statewide groups, please describe the discipline-specific suites of resources and not just the name of the consortium (such as Viva, Tex-Share, Galileo, Louis, etc.). For doctoral programs, document **discipline-specific refereed journals and primary source materials**.

Summarize procedures for systematic evaluation of instructional results, including the process for monitoring and evaluating programs at the new site, as well as using the results of evaluation to improve institutional programs, services, and operations. For compressed time frames describe the methodology for determining that levels of knowledge and competencies comparable to those required in traditional formats have been achieved.

## 11. APPENDICES

Appendices may include items such as copies of library and other cooperative or contractual agreements. All appendices should be referenced in the text.
